RIVERSIDESTUDIOS

Welcome to our Highlights Brochure for May and June, 2023.

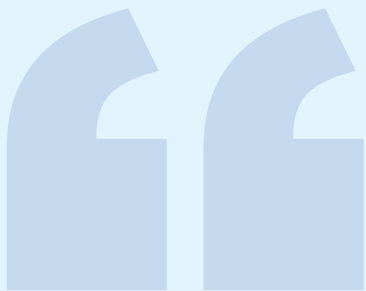

You'll see us kicking off with Theatre and Live Performance in the next few pages, and I'll leave that to Rachel to introduce, if I may. But, as ever, I would encourage you to just come down to Riverside and see what's in store. You can trust us to have something on offer, on any given day, that will inspire, challenge and entertain you.

And just in case I needed to do so, I wanted to remind you that if you're local, there's so much on offer that's just for you. We pride ourselves in listening to our audience and giving them what they want. And if you're a Dive In Member, you'll probably find that much of that is offered for free. Have a look at our website to find out more and, indeed, to Dive In.

We are driven by the belief in the power of creativity to bring people together, unlock potential and spark positive change in the world. We look forward to seeing you at Riverside Studios very soon.

Tony Lankester
EXECUTIVE DIRECTOR, RIVERSIDE STUDIOS

THEATRE AT RIVERSIDE

So, Spring is here at last and as WINNIE THE POOH disappears off onto his UK Tour, we're very much thinking about the run-up to the Summer.

To say we're excited about TARANTINO LIVE arriving at Riverside is something of an understatement. This immersive postmodern cabaret experience based on the Quentin Tarantino Cinematic Universe was a smash-hit in LA and we're incredibly proud to have been chosen as their London home.

They're joined, throughout this period, by I FOUND MY HORN, SPY FOR SPY, OUT OF THE PICTURE and Flute Theatre's THE TEMPEST - a rich and eclectic programme that proves the perfect pre-cursor to our third BITESIZE FESTIVAL in July. This year we're going to have over 70 performances of over 30 productions. Find out more online or from a member of our fabulous team!

As ever, Owen's going to tell you a bit more about our film programme later in this brochure. But in the meantime, I hope you enjoy everything we've got to offer in our Studios!

Rachel Tackley
CREATIVE DIRECTOR, RIVERSIDE STUDIOS

TARANTINO LIVE

Tarantino Live: Fox Force Five & The Tyranny of Evil Men is an immersive postmodern cabaret experience based on the Quentin Tarantino Cinematic Universe. This show is a dynamic combination of Broadway-style live action with rock 'n' roll music from QT's iconic films. After a sold-out LA debut, Tarantino Live is coming to the Riverside stage!

Step into the universe of Quentin Tarantino: a 'realer-than-real' world where the ultimate movie-musical is born! For The Record presents a one-of-a-kind, Tarantino-approved live performance that combines live orchestra and immersive musicals in an ode to Quentin Tarantino's Cinematic Universe.

6 JUNE - 13 AUGUST 2023

I FOUND MY HORN

Director: Harry Burton

Cast: Jonathan Guy Lewis

Adapted from the bestselling book by Jasper Rees, and directed by Harry Burton, *I Found My Horn* was first seen in 2008 at the Aldeburgh Festival. Subsequently seen in the West End, New York and Los Angeles, this joyous, feel-good show places the transforming power of music centre-stage. The show most recently enjoyed a sell-out revival at the White Bear Theatre in Kennington.

30 MAY - 11 JUNE 2023

THE TEMPEST FOR AUTISTIC INDIVIDUALS AND THEIR FAMILIES

by Flute Theatre

Flute Theatre create ground-breaking productions of Shakespeare for autistic individuals and their families using the Hunter Heartbeat Method created by Artistic Director Kelly Hunter.

Up to twelve autistic individuals become the participants for each performance, sitting with seven actors in a circle on our stage. Their families or carers can join us in the circle or sit just behind to watch. The actors invite the participants to experience Shakespeare's story through highly enjoyable sensory games of storms, clowns, monsters and magic, which everyone plays together. Each performance is adapted to the specific needs of the participants, however complex they may be.

If you are interested in watching our performance as an observer only, we have a limited number of "Observer's Seats" for each performance. Please call Box Office to book.

29 MAY - 2 JUNE

SPY FOR SPY

Feather Productions in association with TeamAkers Productions

Director: Lucy-Jane Atkinson

Cast: Olive Gray And Amy Lennox

Sarah and Molly are two Californians who love each other – and that's all they have in common. As the uptight lawyer and the free-spirited dreamer strive to make their improbable relationship work, we see them break up, meet the parents, move in together and fall in love – all in a completely random sequence.

Spy for Spy is a romantic comedy with a difference; a drama performed like a playlist with the scenes shuffled in a random order.

Spy for Spy asks if our lives make more sense in the wrong order, and if there is any logic to love as it zigzags from moving drama to laugh-out-loud comedy.

15 JUNE - 2 JULY 2023

OUT OF THE PICTURE

Director: Faith Tingle Bartoli

Cast: Ellouise Shakespeare-Hart

Born in Jamaica in the last days of slavery, Fanny arrives in London and inspires the Pre-Raphaelite artists during the struggle for Abolition.

Cry and laugh with Fanny, her family, and the artists. See the pictures they created revealed on stage in this 50 min, one-woman show for 12 characters.

Elloise Shakespeare-Hart is soon to be seen in Studiocanal's all-female thriller, 'Something in the Water'.

Written during the lockdown. Many of the artists' models are well-known, but not Hammersmith's own Fanny Eaton - till now!

24 - 30 JUNE

IN FOCUS: PIOTR MONETA MEET THE TEAM AT RIVERSIDE STUDIOS

Piotr joined Riverside Studios in March 2022 and works across the Bakery, Bar, Cinema, River Room and Atrium. We sat down with him to find out what he enjoys about Riverside Studios...

WHAT IS YOUR FAVOURITE ASPECT OF RIVERSIDE STUDIOS?

I like how unique and versatile the venue is and how every event is different. It's nice how broad the entertainment is here — there is the cinema, the theatre, performances in the River Room and exhibitions in the Atrium. I really like staff's energy, especially working with those in the Bar and Kitchen, it's what makes this place so enjoyable to work at.

WHAT FOOD AND DRINK ON THE RIVERSIDE MENU WOULD YOU RECOMMEND TO FRIENDS?

My favourite drink on the menu would be a Hugo Spritz, I like how refreshingly well the mint goes with the elderflower liqueur. For the food aspect of the menu, I have to admit that the beef burger is my favourite — especially with the mango chutney! It's the best combo because it tastes so sweet and it compliments the burger.

WHAT IS COMING UP AT RIVERSIDE STUDIOS THAT YOU ARE MOST EXCITED ABOUT?

Coming from a Polish background, I am quite excited to see the Polish Film Festival at Riverside Studios. It's nice to see my culture showcased at such a big venue in Hammersmith.
