Welcome to our Highlights Brochure for July and August, 2023.

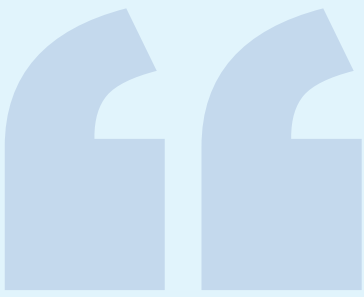

The first half of the year has been jam-packed with everything from CIRQUE BERSERK through to WINNIE THE POOH and the return of THREE COLOURS through to the smash hit that was VERMEER providing as eclectic a mix as you'd hope for from a visit to Riverside Studios.

As ever, just in case I needed to do so, I wanted to remind you that if you're local, there's so much on offer that's just for you. We pride ourselves in listening to our audience and giving them what they want. And if you're a Dive In Member, you'll probably find that much of that is offered for free. Have a look at our website to find out more and, indeed, to Dive In.

**We are driven by the belief in the power of creativity to bring people together, unlock potential and spark positive change in the world.** We look forward to seeing you at Riverside Studios very soon.

Tony Lankester  
EXECUTIVE DIRECTOR, RIVERSIDE STUDIOS

## SUMMER AT RIVERSIDE

With TARANTINO LIVE blowing audiences away in Studio 2, BITESIZE providing a cornucopia of choice and diversity in Studio 3 and MRS HARRIS coming down the tracks in September, there's every reason to just pop into Riverside and see what takes your fancy this Summer. There's sure to be something.

And don't forget that Flute Theatre are returning in August with their acclaimed version of PERICLES. If you missed it last time, do catch it on this outing.

But if you're planning on making the most of our air conditioning and our mix of blockbusters and arthouse movies then I can personally recommend both Hugh Jackman's 1998 outing in OKLAHOMA as well as the new Christopher Nolan, OPPENHEIMER.

Our specially-curated events programme continues to inspire all audiences of all ages and Richard Allan's striking designs will continue to light up our Atrium space through to 11 August.

I do hope that you enjoy everything we've got to offer at Riverside Studios this July and August.

RACHEL TACKLEY  
CREATIVE DIRECTOR, RIVERSIDE STUDIOS
